Death – a criminal of terror

Look into his eyes
Look at his sallow complexion
His eyes tearing up
blood gushing from his temple
Pain...

Flying shrapnel everywhere
Fire burning the memories away
Planes like wasps swarming
to protect their nests
Frightening...

Guns spitting bullets
Trees with naked limbs
Lifeless bodies
so quickly ripped to pieces
A vision of hell...

Taking his last breath,
Breathing heavily
like a horse on a cold morning
Saying his last words
I love you
